

**C#m A E G#m****refrain sifflé x2**

**C#m A**  
Oh, the wind whistles down The cold dark street tonight  
**E G#m**  
And the people, they were dancing To the music vibe  
**C#m**  
And the boys chase the girls with curls in their hair  
**A**  
While the shy tormented youth sit way over there  
**E G#m**  
And the songs get louder each one better than before

**C#m**  
**And you're singing the songs thinking this is the life**

**A**  
**And you wake up in the morning and your head feels twice the size**

**E G#m**  
**Where you gonna go, where you gonna go, where you gonna sleep tonight? x2**

Where you gonna sleep tonight?

**refrain sifflé**

So you're heading down the road in your taxi for four  
And you're waiting outside Jimmy's front door  
But nobody's in and nobody's home 'til 4

So you're sitting there with nothing to do  
Talking about Robert Riger and his motley crew  
And where you gonna go, where you gonna sleep tonight?

**refrain x2**

Where you gonna sleep tonight?

**refrain x4**

Where you gonna sleep tonight?
