

My lady d'Arbanville : Cat Stevens

Em My lady d'Arbanville D Why do you sleep so still ? Em I'll wake up tomorrow D Bm And you will be my fill Em if you will be my fill Em My lady d'Arbanville D Why does it grieve me so ? Em But your heart seems so silent D Bm Why do you breathe so low ? Em Why do you breathe so low ? Em My lady d'Arbanville D Why do you sleep so still ? Em I'll wake up tomorrow D Bm And you will be my fill Em if you will be my fill Em My lady d'Arbanville D You looked so cold to night ? Em Your lips feel like a winter D Bm Your skin has turned to white Em Your skin has turned to white	Em My lady d'Arbanville D Why do you sleep so still ? Em I'll wake up tomorrow D Bm And you will be my fill Em if you will be my fill Em La lala lalala haha ha haha D La lalala la la haha ha haha Em Lala la lalalala haha ha haha D Bm Lalalala lala ha Em La lalala lala ha Em My lady d'Arbanville D Why does it grieve me so ? Em But your heart seems so silent D Bm Why do you breathe so low ? Em Why do you breathe so low ? Em I loved you my lady D Though in your grave you lie Em I'll always be with you D Bm This rose will never die Em This rose will never die
