

D
if You if you could return
A6 A
don't let it burn don't let it fade
C
i'm sure i won't be rude but it's just your attitude
G
it's tearing me apart it's ruining everyday

I swore, i swore i would be true but honey so did you
so why were you holding her hand is that the way we stand
were you lying all the time was it just a game to you

But I'm in so deep D
You know i'm such a fool A6 for you A
you got me wrapped around your finger C ah ah ah
do you have to let it linger G
do you have to do you have to
do you have to let it linger D

A6 A
Oh, I thought I loved you
C
I thought that nothing could go wrong
G
but I was wrong I was wrong

If you, if you could get by trying not to lie
things wouldn't be so confused and I wouldn't feel so used
but you always ruin you I just wanna be with you
