

intro picking : C Am Em (x2)

Em
I heard you on the phone last night **D** We live and die by pretty lies
Em
You know it, we both know it
Em **D**
These silver bullet cigarette This burning house, there's nothing left
Em
It's smoking, we both know it
Em **D**
We got all night to fall in love But just like that, we fall apart
Em
We're broken, we're broken
Em
Em, but nothing, nothing, nothing gonna save us now
C **Am** **Em** **Em**
There's broken silence By thunder crashing in the dark
C **Am** **Em** **Em**
This broken record Spin endless circles in the bar
C **Am** **Em / D / G**
This world can hurt you It cuts you deep and leaves a scar But days fall apart
C **Am**
And nothing breaks like a heart Oh-oh-oh,
Em **Em**
Nothing breaks like a heart

Em **D**
We'll leave each other cold as ice And high and dry, the desert wind
Em
Is blowin', is blowin'
Em **D** **Em**
Remember what you said to me? We were drunk in love in Tennessee
Em
And I hold it, we both know it
Em
Em, but nothing, nothing, nothing gonna save us now
No, nothing, nothing, nothing gonna save us now

Refrain

C **Am** **Em**
Nothing breaks like a heart Mmm, nothing breaks like a heart

Em **D** **C**
Mmm, nothing, nothing, nothing gonna save us now
Am **Bm** **Em**
Mmm, nothing, nothing, nothing gonna save us now (bis)

refrain

C **Am** **Em**
Nothing breaks like a heart Nothing breaks like a heart
