

Afterglow /4

Ed Sheeran

G
Stop the clocks, it's amazing
You should see the way the light dances off your hair
C *G*
A million colours of hazel, golden and red
Saturday morning is fading
The sun's reflected by the coffee in your hand
C *G*
My eyes are caught in your gaze all over again
C
We were love drunk, waiting on a miracle
G
Trying to find ourselves in the winter snow
C *G*
So alone in love like the world had disappeared
C
Oh, I won't be silent and I won't let go
G
I will hold on tighter 'til the afterglow
C *G*
And we'll burn so bright 'til the darkness softly clears
C *G*
Oh, I will hold on to the afterglow (x2)
G
The weather outside's changing
C *D*
The leaves are buried under six inches of white
Em *C*
The radio is playing, Iron & Wine
G
This is a new dimension
C *D*
This is a level where we're losing track of time
Em *C*
I'm holding nothing against it, except you and I

refrain

Oh, I will hold on to the afterglow (x3)
