

## Sometimes i wish

Guy Davis

[G] Sometimes I wish that I [Dm] could sail away [G]

Sometimes I wish that I could sail [Dm] away

[G] Into the morning sun

[C] Into the morning sun

[G] Sometimes I wish that I [Dm] could sail away [G]

Death don't have no mercy on no one

Death don't have no mercy on no one

From the time this song is sung

another friend is gone

Death don't have no mercy on no one

Sometimes I wish my heart was made of stone

Sometimes I wish my heart was made of stone

But the tears keep running down

They roll out on the ground

Sometimes I wish my heart was made of stone

[G] Oh death I know you gotta [Dm] come by here [G]

Oh death I know you gotta come by [Dm] here

[G] But spread the ones I love

[C] spread the ones I love

[G] Oh death I know you gotta [Dm] come by here [G]

Sometimes I wish that I could catch the wind

Sometimes I wish that I could catch the wind

I'd hold it in my arms

I'd hold it in my arms

Think of you and then I let it go
