

intro Couplet x2 arpège

Em B G

I'd like to tell you just a word

Am

I am so sorry to disturb

B

You may be thinking I'm a fool.

I heard you tell you don't care

I heard you think it loud and clear

It doesn't make me proud of you.

I know you time is precious

But give me just a second

I need to straighten things out with you.

You blew my hopes and dreams away

And there is not a single day

I don't fear the worst because of you.

Em B Am B

I know ... oooooooooo that it's not a dream

Em B Am B

I saw oooooooooo, yeah I saw your scheme

Em B C G

I know ... oooooooooo you

C B

I saw .. ooo

I wonder if there's a justice

When I look right into your eyes

Those feeling never lie.

My only weapon is this song

And you won't have to sing along

This is the story of my life.
