

Intro : Em Em C D Em (x2)

Em

You strayed and I'm to blame, We play different games,  
C D Em

I let you win so you could loose

Em

You hate giving in, Is this how this will end?  
C D Em

One of us is gonna have to choose

D Am G Am Bm9  
When its all said and done can't deny we had our fun

Em

Loves here but it's getting late, Time to say what we both know  
C C D D (break)

No reason to stay, (no reason to stay) so good reason to go.

Em

We swore if this time came, we wouldn't apart each other through the pain but  
C D Em

It didn't quite work out

Em

Always lovers but never friends, wouldn't try to play pretend but  
C D Em

it was never what we where about.

D Am G Am Bm9  
When its all said and done we held on just a little too long

Em

Loves here but it's getting late, Time to say what we both know  
C C D D

No reason to stay, (no reason to stay) so good reason to go.
