

Intro : C G Am F /1

C G Am F  
I'm going under and this time I fear there's no one to save me  
This all or nothing really got away, you're driving me crazy  
I need somebody to heal, somebody to know, somebody to have, somebody to hold

C G  
It's easy to say but it's never the same  
Am F  
I guess I kinda liked the way you numbed all the pain

C  
Now the day bleeds

Em  
Into nightfall

Am  
And you're not here  
F  
To get me through it all

C  
I let my guard down  
Em  
And then you pulled the rug

Am F  
I was getting kinda used to being someone you loved  
C G Am F

I'm going under and this time I feel there's no one to turn to  
This all or nothing way of loving got me sleeping without you  
Now, I need somebody to know, somebody to heal, somebody to have, just to know how it feels

C G  
It's easy to say but it's never the same  
Am F  
I guess I kinda liked the way you helped me escape
