

I will follow him

C *Am*
Tu tu tu tu tu tu tu.....
C
I love him, I love him, I love him
Am
And where he goes I follow, I
follow, I follow.
C
I will follow him
Em
Follow him wherever he may go
Am *Em*
There's isn't an ocean too deep

(little Peggy March)

F *G* *C*
A mountain so high it can keep
me away.
C
I must follow him
Em
Ever since he touched my hand
I knew
Am *Em*
That near him I always must be
F *G*
And nothing can keep him from me
C
He is my destiny.

C

I love him, I love him, I love him

Am

And where he goes I follow, I
follow, I follow.

C

He'll always be my true love, my
true love, my true love

Am

From now and still forever,
forever, forever.

C

I will follow him

Em

Follow him wherever he may go
