I've got a girl named Sue She knows just what to do

A

E

I've got a girl named Sue She knows just what to do

She bops to the east She bops to the west

But she's the girl that I love best

[Refrain]

I've got a girl named Daisy She almost drives me crazy
I've got a girl named Daisy She almost drives me crazy
She knows how to love me, yes indeed
But you don't know what she do to me

[Refrain] (Instrumental couplet) [Refrain]

I've got a girl named Daisy She almost drives me crazy
I've got a girl named Daisy She almost drives me crazy
She knows how to love me, yes indeed
But you don't know what she do to me

[Refrain]
