

INTRO- **C#m B**

E D

Who can it be knocking at my door?

C#m B

Go 'way, don't come 'round here no more.

E D

Can't you see that it's late at night?

C#m B

I'm very tired, and I'm not feeling right.

E D

All I wish is to be alone;

C#m B

Stay away, don't you invade my home.

E D

Best off if you hang outside,

C#m B

Don't come in - I'll only run and hide.

C#m

Who can it be now?

B

Who can it be now?

C#m

Who can it be now?

B

Who can it be now?

E D

Who can it be knocking at my door?

C#m B

Make no sound, tip-toe across the floor.

E D

If he hears, he'll knock all day,

C#m B

I'll be trapped, and here I'll have to stay.

E D

I've done no harm, I keep to myself;

C#m B

There's nothing wrong with my state of
mental health.

E D

I like it here with my childhood friend;

C#m B

Here they come, those feelings again!

C#m

Who can it be now?

B

Who can it be now?

C#m

Who can it be now?

B

Who can it be now?

F#m B

Is it the man come to take me away?

F#m B

Why do they follow me?

F#m B

It's not the future that I can see,

F#m B

It's just my fantasy

refrain

(**B A**)

Oh...Who can it be now?

Oh...

Oh...Who can it...Who can it...

Oh...
