

Am
You lost your heart to a sand man
You dreamed you'd be running hand in hand
G Am
Oh Milena, oh Milena

He was so bright, he burned his soul
G
Paid the price, took the toll
Am
Oh, Milena

D Am
And don't you wake the sleeping pharaohs
D Am
They sleep so hard, they sleep so hard
D (Dm) F
Now don't you wake the sleeping pharaohs
G Am
They sleep so hard

Stranger to those with an easy life
Those who were born with an inmate soul
G Am
Oh Milena, oh Milena

Those who were chained to discipline
Those who were trained to be a wife
G Am
Oh Milena, oh Milena

Harmonica D Am D Am D F G D
Am

Too wise to die, too weak to stay
For all I know he is gone
G Am
He is gone, oh Milena

He was so bright, he burned your glee
And now you call him with this voice
G Am
Oh Milena, strong like the sea
