C                      G              F      F  
there is a town in North Ontario  
with dream comfort memory to spare.  
And in my mind, I still need a place to go  
all my changes were there.

Blue, blue windows behind the stars,  
yellow moon on the rise,  
big birds flying across the sky,  
throwing shadows on our eyes. Leave us

Helpless, helpless, helpless  
Baby can you hear me now ?  
the chains are locked and tied across the doors  
Baby sing with me somehow.
