

**Em** **Cmaj7/G**  
Shout, Shout, let it all out. These are the things I can do without  
**Asus2** **Em**  
Come on, I'm talking to you, come on **x2**

**G** **Asus2**  
In violent times, you shouldn't have to sell your soul  
In black and white, they really really ought to know  
Those one track minds that took you for a working boy  
Kiss them goodbye, you shouldn't have to jump for joy

You shouldn't have for jump\_\_\_

**refrain x2**

**G** **Asus2**  
They gave you life and in return you gave them them hell  
As cold as ice, I hope we live to tell the tale  
We really got to shoot And when you've taken down your guard  
If I could change your mind i'd really love to break your heart

I'd really love to\_\_\_
