

STAND BY ME

When the night has come

And the land is dark

And the moon is the only light we'll see

No I won't be afraid, no I won't be afraid

Just as long as you stand, stand by me

So darling, darling, stand by me, oh stand by me Oh Stand

Stand by me, stand by me

If the sky that we look upon

Should tumble and fall

All the mountains should crumble to the sea

I won't cry, I won't cry, no I won't shed a tear

Just as long as you stand, stand by me

And darling, darling, stand by me, oh stand by me

Stand by me, stand by me, stand by me.

Solo

Whenever you're in trouble won't you stand by me, oh now, now stand by me

Oh stand by me, stand by me, stand by me

Darling, darling, stand by me-e, stand by me

Oh stand by me, stand by me, stand by me
