You only need the light when it's burning low
 Only miss the sun when it's starts to snow
 Only know you love her when you let her go
 Only know you've been high when you're feeling low
 Only hate the road when you're missin' home
 Only know you love her when you've let her go

D
 And you let her go

Staring at the bottom of your glass Hoping one day you'll make a dream last
 The dreams come slow and they go so fast
 You see her when you close your eyes Maybe one day you'll understand why
 Everything you touch all it dies
