You'll remember me when the west wind moves Upon the fields of barley
 You'll forget the sun in his jealous sky As we walk in fields of gold_

So she took her love for to gaze awhile Upon the fields of barley
 In his arms she fell as her hair come down Among the fields of gold_

Will you stay with me will you be my love Among the fields of barley
 We'll forget the sun in his jealous sky As we lie in fields of gold

See the west wind moves like a lover so Upon the fields of barley
 Feel her body rise when you kiss her mouth Among the fields of gold

I never made promises lightly
 And there have been some that I've broken
 But I swear in the days still left

We'll walk in fields of gold
 We'll walk in fields of gold

Many years have passed since those summer days Among the fields of barley
 See the children run as the sun goes down Among the fields of gold
 You'll remember me when the west wind moves Upon the fields of barley
 You can tell the sun in his jealous sky When we walked in fields of gold (3x)
