Something's got a hold of me lately No, I don't know myself anymore
Feels like the walls are all closin' in And the devil's knockin' at my door,
whoa..

Yeah, it's takin' a toll on me, tryin' my best to keep
From tearin' the skin off my bones, don't you know

I lose control

When you're not next to me (when you're not here with me)

I'm fallin' apart right in front of you, can't you see?

I lose control

When you're not next to me, mm-hm

Yeah, you're breakin' my heart, baby; You make a mess of me

Problematic

Problem is I want your body like a friend, like a bad habit

Bad habits hard to break when I'm with you

Yeah, I know, I could do it on my own

But I want that real full moon black magic and it takes two

Problematic

Problem is when I'm with you, I'm an addict

And I need some relief, my skin in your teeth

Can't see the forest through the trees

Got me down on my knees, darlin' please, oh, oh
