

## England skies

**G** **Am** **Em**  
You're used to gray England Skies  
**C** **G**  
Cloudy days, colder nights  
**Am** **Em** **C**  
And your heart's not right

**G** **Am** **Em**  
Thought you'd be quite happy there  
**C** **G**  
In that warm New York air  
**Am** **Em** **C**  
But your heart's not right

(Shake Shake Go)

**Am**  
But if you sing along with me  
**G**  
Do you think you could ever smile  
**D**  
Again?

**Am**  
If you sing this melody  
**G**  
Do you think you could laugh again  
**D** **D7**  
My friend? Just try for me...

**G Am Em C G Am Em D**  
Sing Oh, ooooooh, ooooooh, oooh x2

**G** **Am** **Em**  
Don't wait for England to chime  
**C** **G**  
Not for your heart or mine  
**Am** **Em** **C**  
I know time is never kind  
**G** **Am** **Em**  
You miss your warm winter boots  
**C** **G**  
Say the tea's not as good  
**Am** **Em** **C**  
But you'll be alright

**Am**  
Everyone is going out in summer hats  
**G** **D**  
and colored T-shirts now  
**Am**  
Take a walk around the park  
**G** **D**  
I know it will be better soon somehow  
**D7**  
Just try for me

Refrain
